

School Background

This prestigious school were more than happy to choose Bromcom for their school MIS because they *"Love the fact that Bromcom is a cloud based system"* and it can be used to meet the demands for any where, anytime access to their data. Hasmonean High School in North West London is one of the leading comprehensive schools in the UK. The school has ranked in the top four places amongst the highest performing comprehensives in The Sunday Times exam league tables. This mixed school of over 1,000 pupils has been rated as Outstanding by Ofsted. Hasmonean High School students are constantly attaining high standards in their GCSE, AS and A Level examinations

What are the benefits of Behaviour?

The school have effectively integrated Bromcom's behaviour into the school policies. This feature enables schools to quickly and efficiently collect, monitor and report all aspects of positive and/or negative behaviour, both in lessons and around school. Mr Oskis is extremely pleased with the way that the behaviour feature *"Extracts information that the school actually needs to use which is very efficient and intuitive to use."* He also is impressed with using behaviour policies and that the schools can automate behaviour escalation policies which in turn reduces administration.

The support from Bromcom

Hasmonean High School confirmed that they are *"Very happy with the support from the members of staff and the quick response they receive from Bromcom"*. Mr Oskis stated that *"From the moment of deployment to the actual use of Bromcom in the school it has been nothing but great."* The future of Bromcom is something that he always looks forward to in terms of *"How it progresses"*. Mr Oskis loves that *"Bromcom is always developing"* and this is shown with the introduction of our new user update V5 EZ. The interface has already been recommended by Mr Oskis who stated that *"Bromcom is very intuitive and dynamic with their visuals."* It is this intuitive nature of the product that has allowed school staff to use this software with minimal training and also adjust to it in a very short amount of time.

How has Assessment helped Hasmonean High School?

Mr Oskis, the assistant data manager at Hasmonean High School is very impressed with the Bromcom MIS and more specifically Assessment. This feature enables schools to easily, quickly and efficiently collect and store students' assessment grades, marks, comments and other tracking data. According to Mr Oskis, he and the school staff members genuinely enjoy using Assessment and are impressed with its functionality.

Bromcom Assessment has been useful for *"Generating parental reports which has been a huge help for us."* He *"Highly recommends the Assessment because of its flexibility and the way that it caters specifically to the school's needs, instead of following a strict structure."*

Bromcom is a tailor made MIS, built with such versatility and ease of use in mind. It provides the convenience of an out-of-the-box solution but unlike many other providers it also gives the school access to a comprehensive library of assessment models. Bromcom is there all along to provide advice and hands on assistance.
